2. PUBLIC COMMENT

3. PUBLIC HEARING: LAND USE PERMIT

MARATHON PETROLEUM CORPORATION – (Applicant and Owner), County File #CDLP20-02046: Martinez Refinery Renewable Fuels Project: The proposed Project would repurpose the Marathon Martinez Refinery for production of fuels from renewable sources rather than from crude oil. Some existing Refinery equipment would be altered or replaced, and additional new equipment units and tanks would be installed. Crude oil processing equipment that cannot be repurposed for processing of renewable feedstock would be shut down and removed from the Refinery. Upon completion of facility changes, the Refinery would produce renewable diesel fuel, renewable propane, renewable naphtha, and, potentially, renewable aviation fuel.

CEQA: For purposes of compliance with the provisions of the California Environmental Quality Act (CEQA), an Environmental Impact Report (EIR) has been prepared for this project. The Final EIR is available and may be viewed via the project webpage [www.contracosta.ca.gov/7961/Martinez-Refinery-Renewable-Fuels-Project](http://www.contracosta.ca.gov/7961/Martinez-Refinery-Renewable-Fuels-Project) The project is located at 150 Solano Way in the unincorporated Pacheco area.
