

Minutes

CONTRA COSTA COUNTY INTEGRATED PEST MANAGEMENT DECISION-MAKING SUBCOMMITTEE A Subcommittee of the IPM Advisory Committee

**April 22, 2021
10:00 AM to 12:00 PM**

This meeting was held remotely per Governor's Executive Order N-29-20.

Subcommittee Members Present: Andrew Sutherland (Chair), Susan Captain, Larry Yost, Carlos Agurto, Jim Donnelly

Subcommittee Members Absent: None

Staff Present: Debbie King, Jill Ray, Wade Finlinson

Members of the Public Present: Susan JunFish

1. Call to order and introductions

The meeting convened at 10:01 AM

2. Public comment on items not on the agenda.

None

3. Approve minutes from February 18, 2021.

A motion was made and seconded (SC/JD) to approve the minutes as written.

Ayes: Yost, Donnelly, Captain, Agurto, Sutherland

Noes: None

Abstain: None

Absent: None

Public Speakers: None

4. Continue to discuss the development of decision documentation for vegetation management at the John A. Davis Juvenile Hall and advise the IPM Coordinator on revisions to the draft document

The IPM Coordinator presented an overview of the draft document and Subcommittee members recommended revisions as indicated on the tracked-changes version of the draft which can be found on pages 5 through 11 of the document available [at this link](#).

Public Speakers: Susan JunFish

5. Continue to discuss the new visualization tool for pesticide risk assessment and determine next steps

The Chair gave a presentation overviewing the development of the pesticide risk footprint tool and compared several pesticide products listed on the City and County of San Francisco Reduced-Risk Pesticide List with the method being discussed. The Subcommittee discussed the topic in the context of this presentation and the section from the draft decision document for Juvenile Hall focusing on chemical controls.

No action was taken. The Subcommittee generally agreed that the next step should include the consideration of specific procedures that clearly explains the tool, why it is needed, and how it is used. The set of procedures should also include criteria that justify how each of the 12 panels of the tool are utilized. The Chair and IPM Coordinator committed to draft procedures to be discussed at the next meeting.

Public Speakers: Susan JunFish

6. Receive an update on the Orin Allen Youth Rehabilitation Facility in Byron

The IPM Coordinator reported that there have been no changes in the status of the Byron property. Pending realignment changes that transfer the management of youth offenders from the State to local jurisdictions and the impact that will have on the Probation Department make it unlikely that the long-term fate of OAYRF will be substantively addressed in the near future. The IPM Coordinator indicated that he would continue to work with relevant staff to improve the vegetation management function at the property.

No action was taken. The Chair recommended tabling the item and requested that the IPM Coordinator monitor developments pertinent to this body. If information becomes available that clearly affirms the County's perpetual use of the property, the Subcommittee may focus attention at that point.

Public Speakers: None

7. Plan the next meeting, and adjourn

Items to be discussed at the June 17th meeting will include decision documentation for Juvenile Hall as well as the new visualization tool for pesticide risk assessment.

Public Speakers: None

Meeting adjourned at 11:57 AM
