BIRR21-009536	RR	Finaled	8/18/2021	\$9,615.00	We had a contractor (Lovett & Lovett Roofing) install a re-roof in 2015. The permit for that work was BIRR15-008138. The permit expired and the inspections were never completed so we need to apply for a new permit so that we can get the work inspected. We are trying to apply for a solar install permit so this expired/unresolved outstanding inspection is holding that up. The below information is based on the permit from 2015. **20 SQUARES** **COOL ROOR OR COOL ROOF EXEMPT REQUIRED**	9615	248071007	3919 S PEARDALE DR	LAFAYETTE
