NEPA:

Water Quality and Equipment Staging Tech Memos have been approved by Caltrans. The Air Quality PM2.5 Email has been approved by Caltrans, no Air Quality Tech Memo is needed. Traffic, Biological Resources, and Community Impacts Tech Memos are drafted, pending review. Environmental anticipates on getting these remaining Tech Memos to Caltrans in early May. The APE (Area of Potential Effect) Map was signed by Caltrans on 4/24. Caltrans received the ASR/HPSR (Archaeological Survey Report/Historic Property Survey Report) on 4/24 and is in the process of reviewing those documents. Environmental is working on amending our contract with Area West to add the XPI (Extended Phase I) task so Public Works (PW) can transition into the XPI Studies as soon as they receive the ASR/HPSR back from Caltrans.
