**RE-CAP 2018**

**FEBRUARY**

**PUBLIC COMMENT**

Don Gieseke/More Than a Game: In collaboration with One Richmond, putting together an event: The North Richmond Olympics.

Cynthia Jordan, Intern/Northern CA Asthma/Mobile Van: Van making regular visits to Verde School.

Aaron Morgan, Community Resident: Amateur boxing classes held at Shield's and Reid Park. A legacy that Mr. Charles Reid started back in the 50's.

Janie Holland/CHDC: The senior center has new arrangements, and a new look.

**PRESENTATIONS**

Azibuike Akadas/BAAQMD: Air monitoring workshops conducted thru-out the area.

Sandy Mandler/Mithum Program, on Resilient by Design Challenge: Building resiliency in communities. Integrated with housing, neighborhoods and open space.

Stephine Ny and Erika Ito/Love Your Block Mural Project: Mural project on the Rancho Market, with apprentices, funded by a grant from the Richmond Art Center. Will have a block party upon completion.

**ITEMS FOR DISCUSSION AND/OR ACTION**

Josh Bradt of SF Estuary Partnership presents the North Richmond Shoreline Strategy:

Strategy developed with community input. Looking for NRMAC to support and recommend adoption of this by the County Board of Supervisors. Dr. Clark motions to support, Annie King seconds it. Vote of unanimous support by King, Dr. Clark, Gilmore, Bailey, and Tate.

Dr. Clark inquires about the VIOLA Funding. Question about proceeds to be split between Iron Triangle and NR. He requests a letter from the NRMAC to City Manager requesting details about money accumulated in this fund and the plan to implement/spend it moving forward. Clark moves, King seconds. Unanimous vote yes.

**NRMAC RE-CAP 2018**

(2)

### **OTHER AGENCY/PROGRAM REPORTS**

Robert Rogers, District Coordinator/Supervisor John Gioia's Office: Thanking Chevron and CHDC for work on Senior Center. Thanks to all who supported Verde School thru Supervisor's Annual Fund Raiser.

Tania Pulido, Community Outreach Service Coordinator/CHDC: Street sweeps, Love Your Block, safe routes to school, neighborhood cleanups. Fred Jackson Way ditches improvement, more pickups by Rapid Recycles.

Erika Ito/Love Your Block: Looking to hire a NR resident for the mobile tool library. Looking to hire four residents to become, Love Your Block ambassadors.

### **MARCH**

#### **PUBLIC COMMENT**

Cynthia Jordan, Intern Northern CA Asthma/Breathmobile Program: Van continues to service Verde School. A decrease in participants, due to the displacement of students that lived in the Las Deltas Housing Projects.

#### **PRESENTATIONS and PROCLAMATIONS**

Richard Mujro/Love Your Block: Present designs for Rancho Market Mural, from public outreach sessions. It was stated that the design does not reflect NR Culture.

It is just one big blob of Hispanic Culture. Many residents are dissatisfied, feeling that their input was not taken into consideration.

Nablila Sher/ Bay Area Community Resources on Alcohol Sales: Single sales of alcohol is a problem in many communities, affecting young people especially colorful packaging. Works in progress to reduce, through education, and enforcement, including stings. City of Richmond has barred single sales of alcohol, but only on stores that were established since 2005. Providing alcohol beverage training to license sellers. Asking NRMAC to support a letter to the city, banning single container sales.

#### **NRMAC RECAP/2018**

(3)

Ruben Hernandez of DCD on County Cannabis proposed ordinances: Commercial cannabis, however is prohibited in unincorporated CCC. County considering allowing cultivation, manufacturing and distribution. Wants to hear from NRMAC about buffers, sizes of buffers, etc. Tax revenue could come from liberalization. Ballot measure for tax on commercial cannabis may be on November ballot. Tax revenues would go to the general fund of the county. As of now you could grow six plants, inside your house, not on the outside. Will work to get written feedback from NRMAC.

LaShonda White/Veolia Mitigation Fund: The funding has sat for a few years. Continue to collect the money annually as part of their conditional use permit. Twenty-five thousand per year for programs and projects in the Iron Triangle and North Richmond. Has about \$155,000 available. Funding decisions are to be made by January 2019. Need five panel members for the fund, required via the permit. One member from the Iron Triangle, one NR, one West County Toxics, and two from the business community. Need members on the panel to award the grant.

NR Annexation process is a long process, still going on. Built a FAQ form, not yet done, 14 pages. the process is very complicated. Goal is to have all outreach done and submitted to council by June. Hope to submit to LAFCO by April, but nothing would be approved for six months.

Alex Lopez of CA Pallets: Hoping to move his pallet business from Hayward to NR. Intended location is, 57 Parr Blvd. Has been in business for eleven years. Have locations in Hayward and Stockton. There will be opportunities for local residents. The company has a net worth of 12 million a year. Aaron makes motion to support project. Dr. Clark seconds. Four members vote aye. NRMAC asks that the applicant return to NRMAC meeting in the future.

## APRIL

### PUBLIC COMMENT

Mary Frazier/Northern CA Asthma/Breathmobile Program: The program is hiring in the neighborhood, with funding received from Chevron.

Andrea Bailey/Chevron Refinery: Andrea has accepted a new position within the refinery, her replacement will sit on her seat. A certificate of appreciation, will be presented to her.

### PRESENTATIONS and PROCLAMATIONS

Dr. Clark presents award to East Bay Center for the Performing Arts. They are hosting their 50th Anniversary.

Stephanie Ny and Erlca Itto/Richmond Love Your Block: Presenting on mural development. Annie says the mural is too childish. Cynthia states that they did not take any feedback from community into consideration. The mural on Fred Jackson Way, at the community garden, is a waste of time, money, and effort. You cannot see the mural from the streets, the garden is dysfunctional at the moment. La Damien says that there is great history in NR to be considered, that should be depicted in the mural.

Stephanie says that portraits on the mural are against the policy from the beginning.

**Stephanie says that complex artwork like portraits is beyond scope of the work.**

It was being suggested that portraits or silhouettes of community members be included in the mural.

LaShonda White and Jazmine Jones/City of Richmond-Incorporation Outreach:

Have analyzed cost and benefits in the feasibility study. Getting ready to send out the unofficial ballot and FAQ's.

Dr. Clark closes the meeting in memory of the great freedom fighter and anti-apartheid leader Winnie Mandela.

### **MAY**

#### **PUBLIC COMMENT**

Cynthia Jordan and others in the community: Has expressed their opinion and submitted input about the mural at Rancho Market. Prior to Love Your Block receiving funding for the mural, Cynthia has continuously submitted in-put on ideas for the mural. She was never told that her request was not possible, until after all plans for the mural were finalized. The way Love Love Your Block was predetermined to present the mural with their ideas and their ideas only, regardless of public opinion. The entire process of the project was so unfair to the community.

Continues to service Verde School, five children at Verde and two children at Grant.

Annie King: Announces the passing of Sharon Tucker, longtime advocate for children's education. She was a great leader at Verde School.

## **NRMAC RE-CAP/2018 (13)**

Kapris James, Resident/Presentation on Proposed Community Garden:

The parcel of land is adjacent to her home on Vernon Street. The property owner is deceased. In the process of establishing a nonprofit. She needs help acquiring the property. Needs help finding the next of kin, want to purchase the property, pay back overdue taxes, or have it gifted from the county, or have some of the taxes forgiven. Petite Gardens has not yet filed as a nonprofit.

Fernando Valdez/CCC Public Works, report on traffic safety: Says volume and collision data are clear criteria for new stop signs. Gathered info for Battery and York Streets. Volume is low there. Did not meet criteria for volume and collision data to necessitate stop signs. Speed bumps also has to meet a certain criteria's. Needs to introduce an ordinance for parked vehicles. Public works will do an

assessment with counters on First Street soon. Cynthia says that the criteria's are based and other cities in the county, and does not comply with NR, needs and standards. Criteria should be based on the needs and composition of the NR community.

Robert says that Supervisor Gioia's office party for the Verde School, hoodie, and book drive is on December 6th., at Supervisors' Office.

Bishop Edwina Perez Santiago, Director/REACH International Fellowship: Belinda is working as a full time nurse, outside the community. REACH has renewed their contract with CHDC, for the women's housing. All ladies that live there are currently employed, they have taken on two new staff members.

## **DECEMBER**

### **PRESENTATIONS**

Tony Ucciferri/CC Housing Authority-Las Deltas Safety: Large problem with squatters, occupying the vacant houses. In 2016 housing authority started the process of moving/relocating eighty-one residents out of Las Deltas. Six families remain as of 12/18.

by March they should be relocated. A year away before an award to a developer be given. Looking at three or four developers. Two to five years before selling off property.

The scattered sites around the neighborhood, will sell to be refurbished, and re-sold, if necessary.

Proceeds from sell, will be used for improvements in other project housing throughout the county.

Fifty-one million is needed for improvements in other projects in the county. RAD Program thru HUD.

Rental Assistance Demonstration Program. RAD allows the housing authority to remove restrictions and redevelop properties.

Jessie Stewart/Richmond Promise: There is about nine hundred scholars enrolled in various programs across the country, as a result of being involved in the Richmond Promise Program. Richmond Promise supports multiple pathways, including college, technical schools, and more. students would be eligible to qualify for a \$1,500 grant to be applied toward higher education. Would like to see more NR students take advantage of the program.

#### **OTHER AGENCY/PROGRAM REPORTS**

Dr. Clark wants to know why annexation meetings keep getting delayed. Dr. Clark says he expects Supervisor Gioia to stand with the community, that voted (no) on annexation.

Dr. Clark feels that Supervisor Gioia should be in attendance at the council meeting, pertaining to annexation. If he can't attend, then a written letter should be presented, declaring his position on NR annexation. Robert says that he will pass Dr. Clark's suggestion on to Supervisor Gioia.

Tania Pullido/Community Service Coordinator/CHDC: Ditches are clean on Fred Jackson Way, the City of Richmond cleaned them. Infra structure/construction has started on parts of the Rain Garden Project. Karen and Cynthia want to be looped in to discuss issues on how to do the mural on the Verde School Bridge.

Princess Robinson/Urban Tilth Garden: CSA box out of NR is very successful and open to more customers EBT is being accepted toward payment of the CSA boxes.

Public Works has donated a van for the farms use.
