1 - The Alameda County Plant Debris Landfill Ban requires that any self-haul load (containing at least 10% plant debris) be separated for composting. The "mixed load" that's separated upon delivery by the customer will be weighed and charged at the standard Refuse rate. A customer who does not separate plant debris from refuse will have a surcharge for the load, which is 50% of the refuse rate

Site Safety

1. **No Salvaging or Scavenging**
2. **Children under the age of 14 and pets must remain in vehicle**
3. **No Smoking, Drugs or Alcohol**
4. **Follow all personnel instructions, traffic directions and signage on site**
