

KNIGHTSEN WETLAND RESTORATION PROJECT COMMUNITY MEETINGS 2021

The wetlands restoration project team will be holding a series of meetings for the Knightsen community and other people interested in the project. The goal of these meetings is to hear from you and offer updates on the project schedule, latest site studies, and overall project design. The project manager, as well as technical staff, will be at these meetings to listen to your input and answer questions.

ONLINE COMMUNITY ZOOM MEETING

WHEN

November 9, 2021 • 7:00 to 9:00 PM
