

**Election to Receive College Tuition Fee Waiver Benefits
Plan A in lieu of Chapter 35 benefits**

ACADEMIC YEAR 2022-2023

I understand that state law, specifically the Military and Veterans Code, Section 896.1, prohibits me from receiving State of California Department of Veterans Affairs (CalVet) College Tuition Fee Waiver benefits under Plan A if I am in receipt of United States Department of Veterans Affairs (USDVA) Dependents Education (Chapter 35) benefits.

I understand that if I apply for and receive USDVA Chapter 35 benefits, after being awarded CalVet Tuition Fee Waiver benefits under Plan A for the same period, my CalVet College Tuition Fee Waiver benefits will be revoked retroactively, my school will be notified of actions taken, and that I shall be held financially responsible for any associated fees waived.

Understanding the above, I elect to receive CalVet College Tuition Fee Waiver benefits under Plan A, and certify under the penalty of perjury, that I am not currently nor will I apply and receive USDVA Chapter 35 benefits for AY 2022-2023.
